

A message from PARKER MIDDLE SCHOOL

October 9, 2018

Hello Parker Families,

After-school activities will begin next Tuesday, October 16, 2018! The list of **clubs** we will offer is attached to this email. Parker After-School Activities will run Tuesday, Wednesday and Thursday each week. These after school programs are a fantastic way for our students to get involved in our school, to meet other children with similar interests, and to work with our staff in a fun and relaxing environment. All students are encouraged to participate!

To participate in **clubs** or intramural sports programs, students must purchase a school activity card. The activity card cost is \$100 per student. Students will be able to participate in multiple activities for a single fee. The activity fee also gives students the ability to ride the late bus. All students must fill out the After-School Hours Health Directive form before an activity card is issued. This form went home with every student on the first day of school. If you have not returned a completed form, please download a copy, fill it out and return it with your child's check. Blank forms will be available in the school office or on the district website: <https://www.chelmsford.k12.ma.us/Page/719> under "Non-School Hours Health Measures."

To purchase an activity card, please send cash or check (preferred) payable to Chelmsford Public Schools to school with your child. The money will be collected by the homeroom teacher and turned into the office. Activity cards will be distributed in homeroom starting the week of October 15th.

Should you have any questions regarding the after-school program, please contact me or your child's counselor at the school, Ms. Dolan, grades 5/6 and Ms. MacIsaac, grades 7/8.

Thank you for your ongoing support,

Jeff
